**Sallie Mae Extended Repayment Request Form**

**Request for Extended Repayment**

\_\_\_\_\_ Yes, I want Extended Repayment on all of my eligible private student loan(s) (primarily private student loan[s] first disbursed on or before May 31, 2009).

I would like Extended Repayment with the following (check one):

\_\_\_\_\_ Standard/level payments

\_\_\_\_\_ Two years of interest only payments, followed by standard/level payments

\_\_\_\_\_ Four years of interest only payments, followed by standard/level payments

**Before signing this document, please read the following statements carefully:**

- I agree to make payments in accordance with my repayment schedule.
- I understand that the repayment term available on my private student loan(s) varies depending on loan type, cumulative outstanding loan balance by program, and the terms of my Promissory Note.
- I understand that by choosing Extended Repayment I could pay more in total over the life of my loan.
- If I am past due on my private loan(s) payments (if fewer than 16 days delinquent) because of my financial circumstances, I request a forbearance to cover all payments due before this schedule begins. I understand that all accrued and unpaid interest will be capitalized (added to my loan principal) at the end of the forbearance period.
- If my private loan(s) payments are past due 16 days or greater, I must call 800-4-SALLIE (800-472-5543) to make arrangements
- I understand that, if I have a loan(s) owned by Sallie Mae and if the loan(s) has a borrower benefit or repayment incentive, which includes an on-time payment requirement to obtain the benefit and/or retain it after qualifying, by using a forbearance, my loan(s) will not retain eligibility for the borrower benefit or repayment incentive.
