If you're a borrower who is participating in an internship or residency program, you may be able to postpone or reduce your payments.

Here’s what you need to know:

- You may be eligible to postpone your payments in periods of up to 12 months.

- If your deferment request is granted and your loan(s) required fixed or interest-only payments during your initial in-school and separation or grace period, you'll be required to make payments during the deferment period on the same terms as the repayment option that applied to your loan(s) during the initial in-school and separation or grace period.

- You’re responsible for the interest that accrues during the deferment period. If you choose not to pay the interest during this time, the Unpaid Interest will be capitalized (added to your Current Principal) as frequently as quarterly and at the end of the deferment period. As a result, more interest may accrue over the life of the loan, the Current Amount Due may be higher, and more payments may be required. We encourage you to consider paying at least the interest as it accrues, which will save you money over the life of the loan.

- You'll be notified of our decision once we have completed your request. Please continue to pay the Current Amount Due each month until you receive notification that your request has been approved.

Section I: Borrower Request (Borrower Completes)

I request that Sallie Mae Bank, its affiliates and subsidiaries, and their successors and assigns (collectively, “Sallie Mae”) postpone payments on my student loan(s) for up to 12 months while I am enrolled in an eligible Internship or Residency program. I understand that if Sallie Mae approves my request and my loan(s) required fixed or interest-only payments during the initial in-school and separation or grace period, I will make payments to Sallie Mae during the deferment period on the same terms as the repayment option that applied to my loan(s) during the initial in-school and separation or grace period. If approved, I understand that Sallie Mae will notify me of the Current Amount Due (if a payment is required) and the deferment period end date. I understand that the decision to allow me to postpone payments or make reduced payments is at Sallie Mae’s sole discretion.

If approved, I understand that I am responsible for the interest that accrues during the deferment period. If I choose not to pay the interest during this time, the Unpaid Interest will be capitalized (added to the Current Principal) as frequently as quarterly and at the end of the deferment period. As a result, more interest may accrue over the life of the loan, the Current Amount Due may be higher, and more payments may be required. Sallie Mae encourages you to consider paying at least the interest as it accrues, which will save you money over the life of the loan.

I agree to notify Sallie Mae if my enrollment status changes.

If approved, I agree to the terms of this deferment and intend to repay my loan(s) after this deferment period expires in accordance with the terms of my Promissory Note(s).
