

# Planning to study abroad?

The Smart Option Student Loan<sup>®</sup> can help

The Sallie Mae logo is located in the upper right quadrant of the image. It consists of a blue circle containing the Sallie Mae logo icon (three vertical bars of varying heights) and the text "sallie mae" in a lowercase, sans-serif font.

sallie  
mae<sup>®</sup>

A photograph of two students, a young woman and a young man, sitting on a wooden bench in a library. The woman is on the left, wearing a light blue jacket and holding a book. The man is on the right, wearing a dark jacket. The background shows bookshelves and a brick wall. The image is overlaid with colorful, abstract graphic elements: a large blue scribble on the left, a pink circle behind the woman, and a purple line that loops around the students and extends into the background.

### Borrow responsibly

We encourage students and families to start with savings, grants, scholarships, and federal student loans to pay for college. Students and families should evaluate all anticipated monthly loan payments, and how much the student expects to earn in the future, before considering a private student loan.

Explore federal loans and compare to make sure you understand the terms and features. Private student loans that have variable rates can go up over the life of the loan. Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness and deferment benefits, which other student loans are not required to provide. Federal loans generally have origination fees, but are available to students regardless of income.

Loans for Undergraduate Students are not intended for graduate students and are subject to credit approval, identity verification, signed loan documents, and school certification. Student must attend a participating school. Student or cosigner must meet the age of majority in their state of residence. Students who are not U.S. citizens or U.S. permanent residents must reside in the U.S., attend school in the U.S., apply with a creditworthy cosigner (who must be a U.S. citizen or U.S. permanent resident), and provide an unexpired government-issued photo ID. Requested loan amount must be at least \$1,000.

<sup>1</sup> Interest is charged starting when funds are sent to the school. With the Fixed and Deferred Repayment Options, the interest rate is higher than with the Interest Repayment Option and Unpaid Interest is added to the loan's Current Principal at the end of the grace/separation period. Payments may be required during the grace/separation period depending on the repayment option selected. Variable rates may increase over the life of the loan.

<sup>2</sup> Although we do not charge a penalty or fee if you prepay your loan, any prepayment will be applied as outlined in your promissory note—first to Unpaid Fees and costs, then to Unpaid Interest, and then to Current Principal.

<sup>3</sup> Loan amount cannot exceed the cost of attendance less financial aid received as certified by the school. Sallie Mae reserves the right to approve a lower loan amount than the school-certified amount. Miscellaneous personal expenses (such as a laptop) may be included in the cost of attendance for students enrolled at least half time.

<sup>4</sup> Loans are available to cover costs for a prior enrollment period if the last date of the enrollment period is no more than 365 days prior to the loan's first disbursement date. The student must have been enrolled for the full period covered by the loan. When applying for the loan, the student must be enrolled in school or have graduated and must not have withdrawn with no intention of re-enrolling, as verified by the school. Loans must be used only for expenses that are directly billed by the school and included in the school's cost of attendance.

<sup>5</sup> The borrower or cosigner must enroll in auto debit through Sallie Mae to receive a 0.25 percentage point interest rate reduction benefit. This benefit applies only during active repayment for as long as the Current Amount Due or Designated Amount is successfully withdrawn from the authorized bank account each month. It may be suspended during forbearance or deferment.
