The flexibility of this loan makes it an ideal solution if you:

• Are enrolled in an eligible study-abroad program
• Need funding to cover an additional program, housing, travel, passport or visa-related expenses
• Are taking just a few classes or summer classes
• Are seeking a professional certification or are enrolled in a continuing education program
• Are attending school full-time, half-time, or less than half-time

Apply today at salliemae.com/globalsolutions or call 855-429-9759
With the Smart Option Student Loan you can make payments while in school or defer until after you leave.¹

Features

• Competitive variable and fixed interest rates
• No origination fee and no prepayment penalty²
• Get the money you need to pay for school — even books and a laptop³
• Apply again each year — undergraduate students have a 96% approval rate when they return to Sallie Mae® with a cosigner⁴
• Apply with a cosigner — your chances of being approved may increase, and you may get a better rate
• Cover an existing balance⁵ for an enrollment period within the past year
• Earn a 0.25 percentage point interest rate reduction when you enroll in and make monthly payments by auto debit⁶

Borrow responsibly

We encourage students and families to start with savings, grants, scholarships, and federal student loans to pay for college. Students and families should evaluate all anticipated monthly loan payments, and how much the student expects to earn in the future, before considering a private student loan.

Explore federal loans and compare to make sure you understand the terms and features. Smart Option Student Loans that have variable rates can go up over the life of the loan. Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness and deferment benefits, which other student loans are not required to provide. Federal loans generally have origination fees, but are available to students regardless of income.

Sallie Mae loans are subject to credit approval, identity verification, signed loan documents, and school certification. This loan is available to students at participating schools and is not intended for students pursuing a graduate degree. Student or cosigner must meet the age of majority in their state of residence. Students who are not U.S. citizens or U.S. permanent residents must reside in the U.S., attend school in the U.S., apply with a creditworthy cosigner (who must be a U.S. citizen or U.S. permanent resident), and provide an unexpired government-issued photo ID. Requested loan amount must be at least $1,000.

Interest is charged starting when funds are sent to the school. With the Fixed and Deferred Repayment Options, the interest rate is higher than with the Interest Repayment Option and Unpaid Interest is added to the loan’s Current Principal at the end of the grace/separation period. Payments may be required during the grace/separation period depending on the repayment option selected.

Variable rates may increase over the life of the loan.

² Although we do not charge a penalty or fee if you prepay your loan, any prepayment will be applied as outlined in your promissory note—first to Unpaid Fees and costs, then to Unpaid Interest, and then to Current Principal.

3 Loan amount cannot exceed the cost of attendance less financial aid received as certified by the school. Sallie Mae reserves the right to approve a lower loan amount than the school-certified amount. Miscellaneous personal expenses (such as a laptop) may be included in the cost of attendance for students enrolled at least half time.

4 You must apply for a new loan each school year. This approval percentage is based on students with a Sallie Mae undergraduate loan in the 2019/20 school year who were approved when they returned in 2020/21. It does not include the denied applications of students who were ultimately approved in 2020/21.

5 No more than 365 days can pass from the loan period end date to the first disbursement of the loan. At the time of request, the student must be enrolled, intending to enroll, or have graduated. The student must have been enrolled during the prior enrollment period for which the loan is requested and must not have withdrawn with no intention of re-enrolling, as verified by the school.

6 The borrower or cosigner must enroll in auto debit through Sallie Mae to receive a 0.25 percentage point interest rate reduction benefit. This benefit applies only during active repayment for as long as the Current Amount Due or Designated Amount is successfully withdrawn from the authorized bank account each month. It may be suspended during forbearance or deferment. SALLIE MAE RESERVES THE RIGHT TO MODIFY OR DISCONTINUE PRODUCTS, SERVICES, AND BENEFITS AT ANY TIME WITHOUT NOTICE. CHECK SALLIEMAE.COM FOR THE MOST UP-TO-DATE PRODUCT INFORMATION.
